Mary Roelofs Stott was a talented musician & writer, a devoted wife & mother, a sincere and wise humanist and the granddaughter of Elbert Hubbard. Gil Stott was a beloved educator & mentor, a devoted husband & father, an accomplished musician and a man of wisdom and grace. Together they were an extraordinary couple who enriched the lives of all of us. The Mary and Gil Stott Award at Roycroft honors that memory by encouraging those whose pursuit of excellence in music, writing and the arts is in keeping with their spirit and the spirit of Roycroft.
